

### Map Exercise Instructions:

You have two (2) maps in this packet.

- 1) Map of Africa: Political / Modern
- 2) Map of Africa: Physical / Ancient

We will use these maps to develop your sense of geography in both the ancient world, as well as today. There are twenty (20) items which need to be labelled on **EACH** map. Also, each map needs to be fully colored. When labelling the map, mark the item **USING THE NUMBER OF THE ITEM FROM THE LIST BELOW**. Do not write out the full name on your map . . . it becomes too hard to read.

#### Map 1: Africa Political / Modern

- |                      |                  |
|----------------------|------------------|
